

HEAD START SERVICES FOR CHILDREN

EARLY LEARNING AND DEVELOPMENT

In Head Start and Early Head Start programs, we serve expectant parents and families with children ages birth to 5 from diverse cultural backgrounds and who speak different languages. Children's early learning and development services include:

- Building strong relationships as the foundation of early learning
- Supporting learning through play, creative expression, and guided activities
- Supporting children's social and emotional development
- Promoting early math and science concepts in children's home languages and in English
- Promoting language and literacy development in children's home languages and in English

FAMILY WELL-BEING AND PARTNERSHIPS

In Head Start and Early Head Start programs, we serve expectant parents and families with children ages birth to 5 from diverse cultural backgrounds and who speak different languages. We partner with parents and families to focus on their well-being. Services include:

- Helping families find assistance in challenging times
- Helping families identify and reach their goals, including goals related to housing, employment, education, and parenting
- Assisting families with mental health services, if needed
- Inviting parents to share information and insights about their child
- Inviting parents to offer ways to improve children and families' experience in the program
