

## Using Interactive Media in Early Learning Learning Activity *Criteria for Media Use*

### Objective

To make a list of criteria to consider when using screen media in early learning

### Instructions

Thinking about your own experiences with media, your knowledge of child development, and information learned from this module, write a list of key points to consider in choosing media for an early childhood classroom.

A useful resource that reviews important points is:

National Association for the Education of Young Children and the Fred Rogers Center for early Learning and Children's Media. (January 2012). *Technology and interactive media as tools in early childhood programs serving children from birth through age 8*.
