

TEACHER DELIA ENCOURAGES EXPLORATION: INFANT-TODDLER

In this video, infant teacher Delia discusses Anthony's developing knowledge, skills, and behaviors. Delia's curriculum provides a learning experience for toddlers to explore water in a sensory table during outdoor play. It also suggests that teachers sing songs with infants and toddlers to support their language development. Use this handout to record what you notice about how Delia uses her curriculum's guidance in a way that is meaningful for Anthony.

- What are some of Anthony's current and emerging knowledge, skills, and behaviors?

- What are some of the Early Learning Outcomes Framework (ELOF) goals that are addressed as Delia plans the learning environment and experiences for Anthony and tailors her interactions with him?

- In what ways do you think Delia used her curriculum's guidance to be responsive to Anthony's emerging knowledge, skills, and behaviors?

- What do you think Delia can do next to extend Anthony's social and emotional, language, and cognitive skills?
