

DEVELOPING AN ACTION PLAN

Now it is your turn to develop a plan for how you can take the information from this presentation back to your classroom/center. Using the table below, outline five extended conversations you can have with the children in your classroom.

When can I engage a child/children in extended conversations? (Time of day and location in the classroom.)	During this time, what can I talk with the child/children about? (Topic of conversation and how it fits with child's/children's interests.)
