

WHAT DO TEACHERS TALK ABOUT? DISCUSSION QUESTIONS

Activity overview: The purpose of this activity is to provide examples of what teachers talk about.

Directions: Divide large group into smaller groups. Groups discuss the following questions:

- What are some comments that can be made to another teacher about:
 - » Children's interests
 - » Teaching practices
 - » Children's behaviors
- What questions can teachers ask each other about adaptations for children with special needs?
- What questions can teachers ask each other about culturally and linguistically responsive strategies for children who are dual language learners?

Share ideas from small group conversations with large group.
