

## STEAM IS ALL AROUND

Identify some areas in your home or household materials that you can use that promote your child's learning in the different STEAM domains.

<p style="text-align: center; background-color: #008000; color: white; padding: 5px;"><b>SCIENCE</b></p> 	
<p style="text-align: center; background-color: #008000; color: white; padding: 5px;"><b>TECHNOLOGY</b></p> 	
<p style="text-align: center; background-color: #008000; color: white; padding: 5px;"><b>ENGINEERING</b></p> 	
<p style="text-align: center; background-color: #008000; color: white; padding: 5px;"><b>ART</b></p> 	
<p style="text-align: center; background-color: #008000; color: white; padding: 5px;"><b>MATH</b></p>
