## **Teaching Loop Planning Sheet – Example**

Child: Bella

| Target behavior                                 | Cue:  | Assistance:   | Feedback if                                   | Feedback if   |
|---|---|---|---|---|
| step(s):  |   |   | correct:                                      | incorrect or no                                       |
|   |   |   |   | response:   |
| Predicting                                      | "Make a prediction. What will happen when we mix toilet paper and water? Point to the picture." | ☐ Gesture/point ☐ Verbal hint ☑ Verbal model ☐ Visual model ☐ Physical model ☐ Physical Support | Descriptive praise  Token  Toy, sticker, etc. | □ Repeat assistance Provide more intensive assistance |
| Putting toilet<br>paper in bowl<br>Adding water | "Put toilet paper<br>in bowl."  "Put water in<br>bowl."   |   |   |   |
| Mixing  | "Mix it up."  |   |   |   |
| Communicating results Evaluating prediction     | "What happened?" "Was your prediction right?"   |   |   |   |

| Where to provide instruction:   | Science center                    |  |
|---|-----------------------------------|--|
| When to provide instruction:  | Morning and afternoon center time |  |
| How often to provide instruction:  One time in the morning, one time in the afternoon |                                   |  |

## **Teaching Loop Data Collection Sheet**

Child: Bella

| Target behavior              | Date |     |     |     |      |  |
|------------------------------|------|-----|-----|-----|------|--|
| step                         | 1/6  | 1/7 | 1/8 | 1/9 | 1/10 |  |
| Predicting                   | Α    | Α   | Α   | Α   | С    |  |
| Putting toilet paper in bowl | Α    | Α   | Α   | С   | С    |  |
| Adding water                 | Α    | Α   | A   | С   | С    |  |
| Mixing                       | Α    | Α   | С   | С   | С    |  |
| Communicating results        | Α    | А   | Α   | Α   | С    |  |
| Evaluating prediction        | 1    | Α   | A   | Α   | A    |  |
| Total C                      | 0/6  | 0/6 | 1/6 | 3/6 | 5/6  |  |
| Total A                      | 5/6  | 6/6 | 5/6 | 3/6 | 1/6  |  |
| Total I                      | 1/6  | 0/6 | 0/6 | 0/6 | 0/6  |  |

## Key:

| С | Correct without assistance |
|---|----------------------------|
| Α | Correct WITH assistance    |
| ı | Incorrect with assistance  |
