

**Emotional and Behavioral Self-Regulation:
Video One**

Himayah: [Crying]

[Indistinct talking]

Denise: Be careful. We're going to get your toothbrush.

Sarah: Sarah going to get you. Lookit. Lookit here. Wash your face and hands. Mm-hmm. Scrub. Can you scrub? Ah! Scrub your face. Wipe.

Himayah: [Babbling]

Denise: Oh, you're giving it back to Sarah? Oh, thank you. [Gasps] Oh. What's that? Ahh. Brush your teeth. Brush, brush. "I'd rather eat the washcloth." Brush, brush. Okay, Himayah do it. Then Denise will help you. Oh, you're going to have both?

[Toothbrush clatters]

It's all gone now. It's dirty. Sarah will have to get us another one.

Sarah: Ooh.

Denise: Lookit, she's getting you another toothbrush.
