

Scientific Inquiry, Video 2

Teacher: Now it's all getting to be sticky, huh?

Girl: What if we kind of mix it up a little bit? Now, let's take this gooey stuff on this gooey stuff.

Teacher: You see what happens?

Girl: It's getting to be all sticky.

Girl #2: Yeah, it's getting more stickier.

Teacher: Yeah. It's getting more stickier. The blue stuff is getting more stickier 'cause of the pink stuff.

Girl #2: It's hard to pull them off of your hands.

Teacher: Yeah.
