

Health, Safety and Nutrition, Infant/Toddler, Video 2

Teacher: Brush your teeth. Ahh! Remember like the picture? We open our mouth.

Girl: [Muffled] I want to see.

Teacher: You want to see?

Girl: Brushing my teeth.

Teacher: You're brushing your teeth? Here, you want to come up so you can see? There. Ahh! Open your mouth.

Girl: Brush your tooth.

Teacher: Yeah, she's brushing her teeth, too, in the picture. Look. See how her mouth is open? Ahh!

Girl: Ahh!

Teacher: Ahh!

Girl: Ouch.

Teacher: Oh, let's turn it over and do the top. Do the top teeth. Do you hear it? Brush, brush, brush.

Girl: I brush teeth.

Teacher: Yeah, you're brushing your teeth.
