

## Embedded Learning Opportunities: Video Example 1

Teacher: How's that spoon going, huh?

Woman 1: You don't want no more?

Woman 2: Are you ready to eat? Have a seat, boys.

Teacher: Ooh! What's that? Mm-hmm. What's that?

Woman 1: I'm gonna read a book to you. I have to read a book.

Teacher: Miss Page, what's coming out of that nose?

Child: I don't want it.

Woman 2: You don't want that? Are you gonna try to eat your breakfast?

Teacher: OK?

Woman 2: Try to eat it.

Woman 1: Leave that on. Have some of that juice.

Woman 2: I didn't want to have to read page in that book, and I'm gonna have to do it.
