How to Customize and Print ECLKC Pages

Narrator: How to Customize and Print ECLKC Pages. The Early Childhood Learning and Knowledge Center, known as ECLKC, is the official Head Start website. If you want to print or save any page from the website, select the Print icon located to the right of the page title. Remove any section or image if you want to shorten the page to fit your needs. You can also increase or reduce font sizes, resize images, and undo your previous action. You can now print, download as a PDF file, or email the content of the selected page.
